7. Cookies

7.1. What are Cookies? The Website uses 'cookies' – small text files that are placed on the user's computer, smartphone and/or stored by the browser. If the respective server of our Website is again accessed by the user of the Website/Product, the user's browser sends the afore received cookie back to the server. The server can evaluate the information received in this manner in various ways. Cookies can, for example, be used in order to manage advertisements on the Website or to facilitate navigation on a webpage.

7.2. Disabling of Cookies: The user can disable the installation of cookies by entering the corresponding settings in his/her browser software (e.g. in Internet Explorer, Mozilla Firefox, Opera, or Safari). However, in this case the user may jeopardize his/her use of the complete range of functions on the Website.

7.3. Cookie Policy: Please see our [Cookie Policy](#) for more information.

8. Analytics Services

8.1. Google Analytics:

- 8.1.1. General: This Website uses Google Analytics, a web analysis service of Google Inc. ("Google"). Google Analytics uses cookies. The information on your use of the Website created by a cookie, will usually be transmitted to a Google server in the USA and stored there. The Website uses Google Analytics in conjunction with the option „_anonymizeIP()“. This means, that your IP-address will be shortened by Google beforehand within member states of the EU or other members of the Agreement on the European Economic Area. Only in exceptional cases the whole IP-address will be transmitted to a Google server in the USA and shortened there. Any connection with a specific person is therefore precluded and personal data immediately deleted. The IP-address transmitted by your browser within the use of Google Analytics will not be combined with other data held by Google.
- 8.1.2. Plug-in: You can prevent the collection of data through the cookie concerning your use of the website (incl. your IP-address) as well as its processing of this data by Google, by downloading and installing the following browser plug-in:
- 8.1.3. Purpose: On behalf of the Website operator, Google will use this information in order to evaluate your use of the Website, compose reports on the website activities, and provide further services to the operator related to the website and internet usage. We use Google Analytics to analyze and be able to constantly improve the use of our Website. Through the statistics we are able to improve our services and make them more interesting for users. In those special cases in which personal data is transmitted to the USA, Google is certified via

EU-US privacy shield. The basis for the processing is Art 6 para 1 subpara f GDPR.
